

B I R D C A L E N D A R

All University students and all others interested in B I R D S are invited to send their records of new A r r i v a l s to the B i r d b u l l e t i n which will be published during the coming spring.

The names of all Migratory or Resident Birds, seen or heard since December 1, 1914, when certainly identified, will be welcomed. The name, date, place, and approximate number of individuals seen, should be given. Instructors at the Biological Laboratory will be glad to receive these reports, or give any information in their power. These may be handed or sent through the mail to Messrs. Breitenbecher, Nolan or Herrick. Students at the College for Women may give their records to Professor Hulme.

The earliest reports thus far received date from Saturday, February 20.

F.H.H.
